Re: Freedom of Information Act Request  
"Interaction of the Derelict Vessel Task Force Regarding Recycling of the Vessel  
KATY-B"

Dear Mr. Franklin:

At the suggestion of Randy Clark with the Coast Guard, I am writing EPA with a Freedom of Information Act request for documents (including emails, meeting notes, etc.) relating to or arising from the interaction of the Derelict Vessel Task Force regarding the proposed recycling of the vessel KATY-B. This request covers December, 2012 through August, 2013, and includes communications with, interactions with or meetings with individuals who may have been investigating with the agencies or members of the Derelict Vessel Task Force regarding recycling of the KATY-B.

Please let me know if any special arrangements need to be made regarding copying or costs of copying. Please let me know also if you have any questions regarding this inquiry or the scope of this inquiry. Thank you for your prompt attention to this matter.

Very truly yours,

C. Kent Roberts
